All other expenses shall be borne by the party incurring them.</p> <p>The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step. Where the threshold issue of arbitrability is raised by a party, the arbitrator shall initially rule upon the matter, and thereafter the parties shall be bound thereby.</p> <p>The arbitrator will have no power to add to, subtract from or modify the terms of this Agreement or the written policies, rules, regulations and procedures of the District.</p> <p>After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings which shall be binding upon the parties.</p>

APPENDIX I

EDUCATION CODE 48910

48910 Suspension by teacher; report; conferences; referrals

- a) A teacher may suspend any pupil from class, for any of the acts enumerated in Section 48900, for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the pupil to the principal or the designee of the principal for appropriate action. If that action requires the continued presence of the pupil at the school site, the pupil shall be under appropriate supervision, as defined in policies and related regulations adopted by the governing board of the school district. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. If practicable, a school counselor or a school psychologist may attend the conference. A school administrator shall attend the conference if the teacher or the parent or guardian so requests. The pupil shall not be returned to the class from which he or she was suspended, during the period of the suspension, without the concurrence of the teacher of the class and the principal.
